A Present Help When Storms Arise

Presbyterian Disaster Assistance

The first half of 2008 has seen an unprecedented outbreak of storms, tornadoes and flooding. These tragic **events have** brought destructions to communities across the United States and particularly in the Midwest. The Presbytery Church (USA) is working with presbyteries in organizing the recovery in effected communities.

What is Being Done?

More than $350,000 in One Great Hour of Sharing and other designated funds from Presbyterian Disaster Assistance (PDA) has been sent to 20 presbyteries that have been hard-hit by a devastating series of storms in the Midwest.

Twenty-seven members of the PDA National Response Team have been deployed to provide assistance in recovery efforts, offering a visible witness of the church's care and concern for the communities impacted by these disasters. More remains to be done and your generous gifts will enable the church's support for long term recovery efforts.
