

**2010 MISSION
STUDY TRIP TO**

COLOMBIA

The Global Partnership Task Group is planning a trip November 15 – 22, 2010.

The task group has already identified four persons to travel and wants to

invite 5-6 additional people who would be interested in traveling to Medellin which is located in Urabá Presbytery.

Although we would very much like to bring several folks to Winnebago Presbytery, the difficulty in obtaining visas makes this nearly impossible. Therefore, Winnebago will send a delegation to meet with church leaders from the Presbyterian Church in Colombia.

The funds to subsidize this gathering—including travel, housing and lodging for both delegations—come from the Presbytery Operating Budget, the Presbytery International Partnership Fund and a generous grant from the John N. Bergstrom Fund of First Presbyterian Church, Neenah.
